

**AQUACARE SOLUTION
ENVIRO ENGINEERS**

Date 18/02/2023

TO WHOMSOEVER IT MAY CONCERN

It is a great pleasure to inform that **Hydrotech Systems Pvt. Ltd.** and **Aquacare Solution Enviro Engineers** have entered into a Strategic Alliance to provide Turn Key solutions in Water & Waste Water Treatment to the Clientele, in addition to Lump Sum Turn Key project services for Land & Marine emplacements in the fields of On-shore Engineering, Off-shore Engineering, and Ocean Engineering, whose expertise is available with Hydrotech Systems Pvt. Ltd.

Aquacare Solution Enviro Engineers is a leading Pune based **EPC company, established in 2006**, in the field of **Water & Waste Water Treatment**, including Operation & Maintenance Services. Aquacare Solution Enviro Engineers has well-equipped and trained manpower, having both professional and technical backgrounds, **providing Turn Key solutions in Water Treatment Plant, Effluent Treatment Plant, Sewage Treatment Plant**, Desalination, Water Recycling Plant, Zero Liquid Discharge, Water Reclaim Project, Engineering Consultancy Services, Operation and Maintenance, and Annual Maintenance Contracts.

With its energetic and dynamic team continuing with **17+ years in solving water & waste water treatment** challenges and providing solutions, Aquacare Solution Enviro Engineers has made 100+ customers happy and is continuing with **services in India and has presence in South Africa, Maldives & UAE**, reflecting significant geographical growth. Trained & Experienced 200+ staff are engaged to serve the customers.

Hydrotech Systems Pvt. Ltd. is a specialized **transnational** Company providing integrated design, engineering, procurement, construction, and project management services for off-shore / on-shore / sea / sub-sea emplacements, including Land / Marine Surveys, Inspection, Maintenance, Repairs, Dredging, and project **quality** control on a **“CONCEPT to COMMISSIONING”** basis to Clientele spread across diverse industries. The Company's position as an exemplary Project Company can be accredited to the high standards in **Health, Safety, Environment** and **Quality**, coupled with a the track record of timely completion of **26 off-shore emplacement** projects executed till date.

This Strategic Alliance is the outcome of the pursuit of growth and progress by the two Organizations, propelling by passion for *(intellectual)* excellence. **Aquacare Solution Enviro Engineers** and **Hydrotech Systems** are functioning in a technological sphere forming critical applications for industries. For successful establishment of industries and their optimal performance, these critical applications should be formulated by right engineering intellect. By joining hands, the two Organizations have joined forces, to complement and support each other in areas of Research, Technical knowhow & Resources, and Engineering Intellect & Support. In the process, the two Organizations would be broadening and expanding their scope of services for the Clientele.
